Foreword by Thiru **S.VIDYAAKAR**

Dear Friends and Well Wishers,

Greetings!

I am happy to address you all again when the year 2022 is coming to an end.

With all your support we have been working incessantly to complete our core projects like construction of Jeevan Community College, LPG crematoriums and providing relief to the distressed Paraplegic persons.

The last quarter of the year is loaded with festivals and celebrations. Udavum Karangal does not miss even a single celebration because the residents need recreation activity, as everyone from our Home participates in each activity on these occasions like Navarathri Golu, Ayudhapooja, Diwali, Christmas, etc. These activities help resident children to develop their creativity & team work. Even mentally-ill residents are also engaged in these festive activities because it paves way for their rehabilitation. How wonderful is this? It's an enthralled recreation for them.

As one of the oldest alumni of Madras School of Social Work [MSSW], Egmore, Chennai, it's my pleasure to receive a Shield of recognition presented by my College towards the services rendered to the destitute mentally challenged.

I would also like to express my gratitude to Mrs.Padmini, Mrs.Geeta and of course my long time friend Mrs & Mr.Rajan Radhakrishnan Chief Co-ordinator for the fund raising activities of Udavum Karangal at the US Chapter. Similarly, the Sastha Tamil Sangam headed by Mrs.Ramya Velu and her entire family; both, along with their teams, have done wonders in the American soil. I wonder how come the geographical differences don't stop them from doing any good for their country and people. In the USA, they have organised two stage plays by name -"blind justice" & "Yemalogathil-5G" and it was a grand success. All the proceeds will be utilised for our core projects like construction of Jeevan Community College, LPG Crematorium, helping distressed Paraplegic persons. It needs a BIG heart.

This edition of Candles in the wind (issue-52) contains Diwali, Christmas celebrations in all our Homes, rescue & restoration of a mentally-ill person, visitors to our Home at Thiruverkadu. There have also been frequent visits from the students of Nursing Colleges and Schools to our Home. At the end of the day, all of them appreciate the efforts taken by the team of Udavum Karangal in serving the society in an organised manner.

I wish everyone an advance happy New Year 2023 and sincerely thank all the well-wishers, donors for helping us to continue our mission of serving the underprivileged and the downtrodden.

Regards,
S. Vidyaaakar, Founder Secretary

“HALL OF FAME” AT MADRAS SCHOOL OF SOCIAL WORK

The Madras School of Social work, Egmore, Chennai is a renowned college which has produced many personalities who have done great service to the society. It honours the alumni of the college by placing a plaque about their works in a separate “Hall of Fame” in their premises with the Central frame of Madam Mary Clubwala Jadhav, the founder of the college in 1952.

In these lines, Mr. S. Vidyaakar, the Social Worker and Founder of Udavum Karangal was also honoured by the College by placing a plaque with photo and citation in the “Hall of fame”.

Mentally-ill man after rehabilitation, reunited with family at Madhya Pradesh.

A mentally ill man who was rescued from the streets of Chennai by the Social workers of Udavum Karangal in 2020 was rehabilitated, counselled and reunited with his family who are at Khandwa District, Madhya Pradesh.

Way back at the age of just 16, Bhagvan Singh experienced both parental loss and failure in his 10th grade. Back then he went through uncomfortable realities of life, becoming infinitely scarier and uncertain. Those suppressed emotions (including anger & guilt) paved the way for his mental illness. Bhagvan's battle with mental health has been a constant back and forth over years. Due to mental instability, his thoughts and behavior were affected. He went missing thrice from his native...and was brought back home.

On 17th January 2020, our team from Udavum Karangal rescued Bhagvan Singh (41 years) from the streets of Puzhudivakkam near Raymond showroom. His clothes were shabby and extremely filthy. We took him to one of our shelter- Shanthivanam followed by medical investigation. He found the last ounce of strength through constant psychiatric evaluation and general medication over the last 2 years at our facility.

Bhagvan Singh was restored on World Mental Health Day (10th October 2022)

Fortunately, through medication, he is now stable and gave us the details of his residence which has been confirmed by his relatives. As he wished to move back with his family residing at Khandwa - Madhya Pradesh, we arranged his train trip 2- class sleeper from Chennai central to Bhusaval with the voluntary support from co-passengers Mr.Periyaswamy & Mr. Bhawar Lal. As we know mental health is not a destination but a process, Bhagvan Singh was restored on world mental health day 10th October 2022 and the whole process of reunion was organized by our Social Worker Mr. Srinivasa Rao under the guidance of Mr. Vidyaakar, Founder of Udavum Karangal.

Mr. Vidyaakar, says, "It is time that each member of this society becomes aware of mental health and starts caring for the persons in their family with mental illness with love and compassion. Failing to do this will not only put the family in disarray but would add to the woe of the society, which would become difficult to handle. So let us all join together to help overcome mental issues of our family members first and then there would be a society free of mental problems."

NAVARATHRI 2022 – the festival of learning celebrated at Udavum Karangal Home

The nine days of Festival of Dolls – Kolu, A typical Tamil Culture and tradition is celebrated at Udavum Karangal for and by the children with much fun fair. Empowerment of women and child enrichment is in the fore of this celebration.

Every doll placed on the decorated dais has a moral behind it. It has been a tradition at our center to mark every day of Navarathri with a story telling having cultural values and ethos. It inculcates dynamism, divinity, equanimity, peace and has a positive psychological impact on the children and residents. It was such a pleasure to see the beautiful newly painted dolls. Seeing this, everyone was so excited that even in this pandemic situation we were able to go through it joyfully.

Prasadam (different varieties of pulses) are served every day after the pooja which is high in protein. This adds to the health and nutrition of the patients and children.

Everyone carries a positive energy at the end of each day's celebration and Pooja. This is evident from the fact that our girls when they get married and join the mainstream of the society show this strength of a Divine Mother and become a life-force.

Christmas celebrated at various Udavum Karangal Homes

Nazareth College celebrated Christmas with Shanthivanam Residents Nazareth College of Arts and science, Avadi, students and faculty came to Udavum Karangal on 22nd December 2022 to celebrate Christmas along with the children. They distributed cakes and sweets to the children. A programme was organized by the students special called the "Bommallattam" with a good moral story. The children enjoyed the programme and greetings were exchanged.

Christmas Celebration by Good Shepherd Brothers

On 10.12.2022 good shepherd brothers organized Games and Dance event for the patients of Sakthivanam and Thanjam, Coimbatore. Our inmates participated in the games and felt very happy on the occasion of X-mas with the arrival of Santa Clause. They all danced together with the Santa clause. Finally brothers distributed cakes for the patients.

Carmel Garden School Children Event

On 20.12.2022 76 school children from Caramel Garden Matriculations School entertained our inmates with dancing and singing songs. They also provided biscuits and some stationeries for the inmates. Our inmates also eagerly danced and singed with the school children. We also exhibited some of the craft items made by Thanjam Residents.

MERRIMENT AT SHANTHIVANAM (29TH DECEMBER 2022)

Merriment was initiated for the well-being of Shanthivanam children to engage them in team building activities once in a week. As we know, "Every day may not be good, but there is something good in every day" which will enhance our mental stability by involving in physical activities.

In fact, play is such a crucial element of a child's life so it is important for us to engage them in play and recreational activities appropriate to the age of the child and to provide them an opportunity to participate freely in cultural life and the arts.

Week – 1 Listening walk; Cup game; Balloon race

Physical activity increases the levels of neurotransmitters in the brain, which can help improve mental health. Team building activities also reduces stress and promotes a deeper state of relaxation. It can also improve mental clarity and boost learning and memory. On top of that, it can also increase creativity and self-esteem. Children felt extremely satisfied and expressed their heartfelt gratitude for making this happen.

The above events were organised by
Ms. Manjari, Social Worker at Shanthivanam.

This gentleman is doing a Yeoman's Service for the past nearly 50 years taking care of hundreds and thousands of Orphans of mostly Chennai but other nearby towns also. I have been in touch with his organization for quite some time. In fact, my daughter who lives in the US - a mother of two kids of her own, has adopted two inmates in that Home. And that way I am their Grandfather too!.

Student Ambassador donates to Jeevan Community College

Ms. Diede Vouston, Netherlands donated 395 Euros, which was collected as Gifts in a recent celebration of her family. She is one of the Ambassadors of Dendron College who visited Udavum Karangal in December 2017 on an inter-school collaboration to bring the joy of camaraderie between the students of two different Nations.

She desired that we utilize it for the students of Jeevan Community College. We have purchased a High Speed Industrial Sewing Machine with all accessories to be used in the Tailoring Training Unit of the Jeevan Community College. This will be helpful for the students to get trained in tailoring and get employed immediately in Export Garments unit or set up their own Tailoring shop.

We all pray for her successful completion of the school and take up teaching next year. We also pray for her and her family's well-being, happiness and prosperity.

Management Lessons

A rabbit saw a crow sitting on a tree, doing nothing all day. The rabbit asked the crow, "Can I also sit like you, doing nothing all day long?" The crow said: "Sure, why not."

So, the rabbit sat down on the ground below the crow, and started taking rest.

Suddenly there came a fox, he jumped on the rabbit and ate it.

Moral of the story:

To sit and do nothing, you need to be on the top.
